**Ivy Wu**  
*for Fremont School Board*

**Dear Friend,**

*I am a candidate for the Fremont Unified School District Board of Education. I am running because I believe I can bring a fresh perspective and make a positive contribution to improve our schools.*

*As a parent of a 7th and 10th grader and active school volunteer, I understand the need for all of our students to acquire skills, knowledge, and experience to succeed. During my 18 years residency in Fremont, I have worked with people from different cultures and backgrounds, and learned the importance of teamwork to develop viable solutions for a multitude of challenges.*

*With my leadership skills and passion for helping students attain their fullest potential, I would seek to accomplish the following goals as a School Board member:*

- **Increase COMMUNICATION among students, parents & teachers, and between the district and the public it serves**
- **Encourage CHARACTER development in our youth**
- **Maintain ACCOUNTABILITY**

*It would be an honor for me to serve on the Fremont School Board, and I would appreciate your support and vote on November 2.*

**Sincerely,  
 Ivy Wu**
