

The Comprehensive Online Guide to Election Information 24 hours a day 7 days a week

Who Benefits from Smart Voter?

Voters

who want to make informed decisions at the polls. Understand candidate positions, state propositions and local measures. Deepen understanding of government. Explore educational studies on the judicial branch, the pros and cons of ballot issues, and more.

Candidates

create a Smart Voter web page. Raise visibility in the community. Otherwise neglected local candidates get a more equal voice in the electoral process.

Elections Staff

reduce last minute inquiries. Increase voter participation. Provide more information in less time, cost effectively.

Libraries and Schools

get ballot and polling place information to students and voters in one easy click.

Leagues and Businesses

help voters make informed decisions. Increase civic participation. Generate goodwill in the community.

Smart Voter.org

Unparalleled in breadth and depth, the guide's user friendly design provides single click access to a ballot customized for a particular address. The system integrates official information supplied by state and county governments, detailed campaign information provided by candidates, and other related information on the Internet such as news articles and other nonpartisan websites.

- ✓ Personalized complete ballot - national, state, local
- ✓ Most comprehensive statements from local candidates
- ✓ Local ballot measures and state propositions
- ✓ Polling place lookup with map
- ✓ Election returns

The League of Women Voters encourages the informed and active participation of citizens in government and influences public policy through education. The League is committed to the values of diversity, inclusiveness and the power of collective decision making for the common good. Any person of voting age, male or female, may become a member.
